

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL COUNCIL MEETING DATE: SEPTEMBER 5, 1990

FROM: THE CITY MANAGER'S OFFICE

SUBJECT: AGREEMENT FOR OVERHEAD ELECTRIC LINE CROSSINGS OF RAILROAD RIGHTS-OF-WAY

RECOMMENDED ACTION: That the City Council approve the agreements (2) for overhead electric line crossings of railroad rights-of-way and authorize the Mayor to execute same on behalf of the City.

BACKGROUND INFORMATION: The new Industrial Substation will be interconnected to the City's existing system via new 60-kv and 12-kv lines. The routing for some of these lines cross over existing Southern Pacific Transportation Co. and Central California Traction Co. railroad rights-of-ways. Each such crossing requires an agreement between the City and the respective railroad company. Consideration in the *form* of a one time fee per crossing (ranging from \$330 to \$460) as well as a yearly lease per crossing in the amount of \$85.00, in the case of Southern Pacific Transportation Co., is also included in the agreements.
